I am a customer and in protest against a rate increase against myself and the senior citizens.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

Many seniors citizens have not had a social security cost of living increase in two years. I do not feel now in the time for this even to be considered as we see the nations employment still very high as it is. I VOTE NO!

Also as business owners the businesses are have a very hard time just staying in business.

The hot summers have too it toll on all customers...

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***
